I've been single so long I don't know how to start a new relationship. I broke up with my boyfriend two months ago and find it difficult to have a new relationship. I've been seeing a new fellow for a couple of weeks and he seems interested in taking this to the next step. But I'm holding back. I don't want to appear too eager to rush into a new relationship. I want him to really like me just for being me.

There is a video on the net about racing in a shopping mall. Five high schoolers dressed like motorcycle riders, helmets and all, are on the backs of large plastic motorcycles racing around a big mall. And "racing" really slow. Shoppers walk past them on the video. The young men act as if they are riding on a fast motorcycle racetrack!

It's been a busy day for the Metropolitan Police in South London today. The official Metropolitan Police twitter account announced: "just to prove it's not all crime, we've been helping some local residents." The picture with the tweet showed two officers helping a group of ducks to cross the road safely. The picture shows a mother duck and her ducklings. Great police work!

One of the worst films of all times was *Cutthroat Island*. Director Renny Harlin wanted to make his wife, Geena Davis, into a pirate action star. This was a bad time to make this film, because there had just been a long series of pirate films which had performed badly. Then, too, it was almost impossible to find a male star to appear opposite Davis. Actually, several leading Hollywood men turned down the part.

A wealthy Manhattan man left \$20 million to his two daughters – but they can collect only under strict rules. The teenagers will receive the money in his will if they get married. The will also says it's important they learn to work hard, not just live on the inheritance. Their father was a real estate millionaire.
